WILLIAM W. HARRIS, 64 years of age, born in New York, has a wooden leg.

**REAR, Inspector (Inv.)**  
Investigation on Tarnak two London Metropolitan Police  
Office 741, Baker St.  
(REAR is about 20 years of age.)

The two men expressed a desire to continue in contact with [ ] not only with regard to the case which had brought them to Brussels but also so that any future cases could be handled efficiently. In this connection, it may be noted that [ ] has a contact, via an unidentified person in the Belgian Embassy in Rome, with the MID and, in addition, is able to reach the headquarters of the RTV, which the Belgian services indicate are located in Cologne. ( ) in telephoning the "service on 1 March in [ ] prison, spoke with a person whose name ( ) mentioned as "Gustave". Similarly, [ ] may have been referring to an individual whose name is Herr B.... and possibly he spoke directly with the RTV. [ ] referred to above. In any case ( ) apparently thinks that the person with whom he spoke by telephone on 1 March is officer of the RTV in Cologne.

2. In reviewing the items which HERSH had in his possession at the time of his arrest in Brussels, KODAK concluded on seeing various old photographs that it showed quite easily "an action in Milan." HERSH had earlier claimed to have established contact with that section because of his belief that he would at some time be approached by the Czech service in view of his family background. One of the persons in the Milan office with whom HERSH appears to have had some sort of contact was ~~Tripodist~~ Lukashin. HERSH identified LUKA as the person on the fourth row from the left in the second row of the photograph in question, copies of which accompany this dispatch. The rather poor negative is forwarded to Headquarters.

3. Processing of additional photographs concerning this case has not as yet been completed by [redacted] When the work has been completed, the results will be forwarded to Headquarters and Frankfurt.
